

Template of a *People's Scorecard* on National Delivery of the 2030 Agenda

Country	
National Coalition or Organisation	
Name of respondent	

- Introduction- about your coalition:
- Is there any CSO national platform or network focusing on the SDGs?
- If YES, is the coalition inclusive of organisations that are working on all topics of the SDGs?
- Are there national platforms that work on specific goals or targets? If YES Please list them

The Scorecard considers a number of key categories and offers an overview of the level of delivery in each area. At the end of each section, you should agree a score of 1-5.

The first part aims to assess the overall delivery of the agenda, including a consideration of policies and strategies for implementation, assessment of delivery and mechanisms for engagement; including with civil society, local governments, donors and wider stakeholders in realizing the SDGs.

A) Overview of current implementation

Official Strategy

- 1. Which ministry (or other institution e.g. in the Prime Minister's office) is leading the planning for the domestic implementation of the SDGs in your country?
- 2. Does your government have a policy framework on SDG implementation? How does this relate to existing or other policy frameworks, such as national development plans, national water/transport/education plans, etc? Have there been any revisions of the existing policy frameworks in light of the policy on SDGs implementation?
- 3. How far do you see effective policy coherence and a coordinated national SDG framework? Does the policy approach include a recognition of the inter-related nature of the three dimensions of sustainable development (social, environmental & economic)? Is there any "cherry-picking" or do you see all SDGs are equally covered?

1. No-Action or very low	2. Initial planning; 3. Actions started;	5. High level of success
initiative taken (RED)	4. Delivery underway (AMBER)	(GREEN)

• National Implementation

- 4. How far is implementation already underway on the 2030 Agenda?
- 5. Is there any clear national plan in terms of funding the delivery of the 2030 Agenda? Is the national budget in line with the 2030 Agenda? What is the role of international donors/development partners?
- 6. Is there progress on bringing together evidence with disaggregated data to demonstrate progress in your country? What data is disaggregated?
- 7. What is the engagement of stakeholders in the national implementation plan? Is there a broad partnership across sectors for implementation? How would you assess the partnership among different actors, is there mutual accountability? Have any challenges or opportunities been identified in terms of broader partnerships?

1. No-Action or very low	2. Initial planning; 3. Actions started;	5. High level of success	
initiative taken (RED)	4. Delivery underway (AMBER)	(GREEN)	

• Public Awareness

- 8. Is the full text of the 2030 Agenda for Sustainable Development and SDGs available in your local languages? Which language(s)? Who translated it?
- 9. Is there any parliamentary/congressional scrutiny of the framework? If so please list the relevant committee and its activity, and any statements made in Parliament and by MPs
- 10. Are local governments in your country actively engaged in the 2030 Agenda and the SDGs? If so, how
- 11. Are educational bodies and researchers actively seeking to analyse and share the SDGs?
- 12. Are civil society organisations using the 2030 Agenda for framing their work?

1. No-Action or very low	2. Initial planning; 3. Actions started;	5. High level of success
initiative taken (RED)	4. Delivery underway (AMBER)	(GREEN)

• "Leave No One Behind" principle

- 13. In your experience, how far have the poorest, most vulnerable, and those furthest behind, been a focus for the national strategy of the 2030 Agenda?
- 14. How would you assess the opportunities for these marginalised groups to engage in setting the national priorities and in review processes?
- 15. We are interested in learning more about groups that are marginalised in your country context, by which we mean groups of people that are more likely than others to experience poverty, exclusion, discrimination, lack of participation, or violence. Which groups of people do you understand to be the most marginalised in the country where you work? (You may choose more than one)

Once you have completed an analysis of each goal, it is useful to consider the interlinkages and any potential risks of one goal undermining another goal. At this stage you should refer back to your earlier assessment of the key cross-cutting themes and provide a qualitative analysis of the whole agenda in your country.
