This year is the first year of the Decade of Action but the impact of Covid-19 has led to massively increased challenges to delivery of the promises of transformation, more than 500 civil society groups came together in a Global Day of Solidarity to highlight that we are #StrongerTogether on 22 May.

Join our discussion:

- a) Key examples of community groups that are stepping up to deliver the SDGs and respond to the Covid-19 crisis
- b) The impact of Covid-19 on the SDGs – GCAP?
- c) Lessons learned and opportunities to build grassroots momentum for the Decade of Action – SDG Action Campaign & A4SD
